TO WHOMSOEVER IT MAY CONCERN

Dear Sir / Madam,

- We will withdraw for Haematology scope of service for NABL. Because we are ISHTM-AIIMS Haematology EQAS new, application applied the last 3 month before. Still now, we not received EQAS samples. We discuss with ISHTM-AIIMS, they are reverted us it will be given an after January 2021 because of COVID19 Situation. So we applied scope of service for biochemistry parameters only. Kindly accept our request and make us favour.

Yours Sincerely
