5	20000	20001	20002	-1	13.000

Remark

- The reported expanded uncertainty of measurement is stated as a standard uncertainty of measurement multiplied by coverage factor "k= 2" such that the coverage probability corresponds to approximately 95% confidence level.
- The measured values mentioned are the average of 5 readings.
- The Parameter / Test Points Marked with an "*" are not accredited by NABL.

Notes

- This certificate refers only to the particular item calibrated at site / laboratory.
- The calibration results reported are valid at the time of and under the stated conditions of measurement.
- Any correction in this certificate invalidates this certificate.
- This certificate shall not be reproduced except, in full without the written approval from the Laboratory.
- Calibration of UUC done by any accredited laboratories is meant for scientific and industrial purpose only. However, if used for commercial trading, additional recognition/ approval shall be complied as required by Dept. of Legal metrology, Regulatory bodies, etc.

TERMS AND CONDITIONS OF THE AGREEMENT

PREVENTIVE MAINTENANCE

REMI will provide 2(Two) preventive maintenance visits for the Equipment during the term of this agreement in order to keep Equipment in good working order. During these visits Equipment will be thoroughly cleaned, adjusted, checked and corrected if required for its performance. During the PMV visits, Remi will also do calibration of the equipment as per standard requirements.

Preventive Maintenance Visits	Due Date	Attended On	Attended by	Checked by

BREAKDOWN CALLS

REMI will provide Repair Service in the case of emergency if necessary. Emergency calls will not be charged to the purchaser and if the visit is made near the six month interval for P.M.V, it will be considered as P.M.V visit of that six month.

REPAIRS

REMI will provide repair service ("Repair Service") for the Equipment by carrying out such repairs to the Equipment and replacing parts as deemed necessary by REMI's technical personnel so as to restore the Equipment to operational condition.

Repair Service does not cover the followings:

1. A defect or fault the source of which is not in the Equipment itself, including and in particular, a fault or failure in the power supply, water source, air-conditioning, humidity control or other environment controls.
2. Operator error, user abuse, abnormal use, negligence, accident, fire, lightning or other disasters.
3. Any transportation or relocation of the Equipment not performed by REMI.
4. Any modification, adjustment or repair made to the Equipment by a third party without the prior consent of REMI.

REMI SALES & ENGINEERING LIMITED

5. Damages caused to Equipment due to floods, fire, accident, riot and breakage, pest, use in hazardous/ corrosive environment tampering, leakage etc. is not covered under this agreement.

REPLACEMENT OF SPARES

This Agreement applies to the routine break-down maintenance and not to any consequential damage of what so ever nature to any person or property. The **NON-COMPREHENSIVE** agreement covers only labour services and not replacement of spares. Any replacement of part will be done after receiving confirmation from the purchaser. In case of **COMPREHENSIVE** agreement, company will replace or repair the parts FOC except any aesthetical damage. **The consumable parts and parts which are subject to wear and tear like chart papers, batteries, tube lights / bulbs, will not be replaced free of cost under COMPREHENSIVE agreement.**

LIABILITY OF REMI

REMI shall not be liable for any loss of property, human injury or death arising out of or alleged to arise out of any act or omission of Purchaser, including any equipment repair, modification or adjustment made by any unauthorized service personnel or Purchaser without prior notification to REMI. The total liability of REMI shall not exceed the charges payable by Purchaser for that period.

TERMINATION OF AGREEMENT

This Agreement shall forthwith terminate if Purchaser does not agree to the replacement of parts required to keep the Equipment in operational condition, or if the Equipment can no longer be maintained in good working order by the provision of replacement spare parts, or if the whole of the Equipment is damaged beyond economic repair. Failure of Purchaser to pay any invoice within 30 days of date of invoice constitutes material breach of this Agreement entitling REMI to forthwith terminate this Agreement. Either Party shall be entitled forthwith to terminate this Agreement by written notice to the other Party if the other Party goes into liquidation, or becomes generally unable to pay its debts as they become due, or an encumbrance takes possession of or a receiver is appointed over any of its property or assets, or if it makes any voluntary arrangement with its creditors or becomes subject to an administration order.

GENERAL

Due to rapid change in the pace of technological advancements, it is likely that after a certain period, cost of spares would make it highly uneconomical for repairs. On such Occasion, REMI will offer a buy back scheme for the products. Equipment should be made available for servicing and when service engineer visits with prior intimation. Failure to do so will be treated as a service rendered and no refund shall accrue this account.

This agreement sets out all the terms and conditions on which REMI Sales & Engg Ltd. Agree to service the Equipment's and cancels and supersedes all prior agreements, undertaking or arrangement, oral or written between the parties on the subject matter.

All disputes will be subject to _____ Jurisdiction.
