

TAMILNADU POLLUTION CONTROL BOARD

FORM III
(See Rule 10)

AUTHORISATION No: BMW-6489/AMB / Dated 16/09/2019

Proceeding No: DEE/TNPCB/F.BMW-6489/OS/AMB/2019 dated 16/09/2019

Sub: Tamil Nadu Pollution Control Board - Bio-Medical Waste Authorization One Time Authorization - HCF - M/S. ANJU DIAGNOSTIC CENTRE, NEW NO 3, RAJAMANGALAM 1ST MAIN ROAD, VILLIVAKKAM, CHENNAI - 600049 - Authorization under Rule 10 of the Bio-Medical Waste Management Rules, 2016 enacted under Environment (Protection) Act, 1986 Issued- Reg.

- Ref:**
1. Unit's Application for BMW Authorization dated 13.09.2019
 2. IR NO.DEE/TNPCB/AMB/F.BMW- 6489/ OS/2019 dated 16/09/2019

AUTHORISATION FOR OPERATING A FACILITY FOR GENERATION, COLLECTION, RECEPTION, TREATMENT, STORAGE, TRANSPORT AND DISPOSAL OF BIO-MEDICAL WASTES

1. File number of authorization: BMW-6489/AMB and date of issue: 16/09/2019
2. The Proprietor of M/S. ANJU DIAGNOSTIC CENTRE, NEW NO.3, RAJAMANGALAM 1ST MAIN ROAD, VILLIVAKKAM, CHENNAI - 600049, is hereby granted an Authorisation for Generation, Segregation, Collection, Storage, Packaging, Disposal of Bio-Medical Waste
3. M/S. ANJU DIAGNOSTIC CENTRE, is hereby authorized for handling of Bio-Medical waste as per the capacity given below.

i)	Number of beds of HCF	NIL		Nos
ii)	Quantity of Bio-Medical Waste handled, treated or disposed			
	Category	Type of Waste	Quantity permitted for handling	Unit
	Yellow	a) Human Anatomical Waste	-	-
		b) Animal Anatomical Waste	-	-
		c) Soiled Waste	-	-
		d) Expired or Discarded Medicines	-	-
		e) Chemical Solid Waste	-	-
		f) Chemical Liquid Waste in KLD	-	-
		g) Discarded linen, mattresses, beddings contaminated with blood or body fluid routine mask and gown	-	-
		h) Microbiology, Biotechnology and other clinical laboratory waste	0.4	Kgs/day

POLLUTION PREVENTION PAYS

Sl.No	Category	Type of Waste	Quantity	Unit
1	Red	Contaminated waste (Recyclable)	0.1	Kgs/day
2	White (Translucent)	Waste Sharp Including Metals	0.1	Kgs/day
3	Blue	Glassware Metallic Body Implants	-	-

4. The One Time authorization is valid for the non bedded Health Care facility only.
5. The authorization is issued subject to the conditions stated below and to such other conditions as may be specified in the rules for the time being in force under the Environment (Protection) Act, 1986.

Shuly-30/9
 District Environmental Engineer
 Tamil Nadu Pollution Control Board
 Ambattur

TERMS AND CONDITIONS OF AUTHORIZATION

- The authorization shall comply with the provisions of the Environment (Protection) Act, 1986 and the rules made there under.
- The authorization or its renewal shall be produced for inspection at the request of an officer authorized by the Tamil Nadu State Pollution Control Board.
- The person authorized shall not rent, lend, sell, transfer or otherwise transport the Bio-Medical wastes without obtaining prior permission of Tamil Nadu State Pollution Control Board.
- Any unauthorized change in personnel, equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of this authorization.
- It is the duty of the authorized person to take prior permission of the Tamil Nadu Pollution Control Board to close down the facility and such other terms and conditions may be stipulated by Tamil Nadu Pollution Control Board.
- Any other conditions for compliance as per the Guidelines issued by the MoEF&CC or CPCB from time to time.

ADDITIONAL CONDITIONS

SPECIAL CONDITIONS - HCF

1.	All the provisions of the Bio-Medical Waste Management Rules, 2016 must be complied with.
2.	The HCF shall take all necessary steps to ensure that bio-medical waste is handled without any adverse effect to human health and the environment and in accordance with the Bio-Medical Waste (BMW) Management Rules, 2016.
3.	The HCF shall make a provision within the premises for a safe, ventilated and secured location for storage of segregated biomedical waste in colored bags or containers in the manner as specified in Schedule I of the BMW Rules, 2016. It shall be ensured that there shall be no secondary handling, pilferage of recyclables or inadvertent scattering or spillage by animals and the bio-medical waste from such place or premises shall be directly transported in the manner as prescribed in these rules to the common bio-medical waste treatment facility or for the appropriate treatment and disposal, as the case may be, in the manner as prescribed in Schedule I of the BMW Management Rules, 2016.
4.	The HCF shall pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through disinfection or sterilization on-site in the manner as prescribed by the World Health Organization (WHO) guidelines on safe management of wastes from health care activities and WHO Blue Book, 2014 and then sent to the Common bio-medical waste treatment facility for final disposal

POLLUTION PREVENTION PAYS

TAMILNADU POLLUTION CONTROL BOARD

- The HCF shall phase out use of chlorinated plastic bags(excluding blood bags) and gloves by 27th March, 2019
6. The HCF shall dispose of solid waste other than bio-medical waste in accordance with the provisions of respective waste management rules made under the relevant laws and amended from time to time.
 7. The HCF shall establish a Bar-Code System for bags or containers containing bio-medical waste to be sent out of the premises or for the further treatment and disposal in accordance with the guidelines issued by the Central Pollution Control Board by 27th March, 2019
 8. The HCF shall ensure segregation of liquid chemical waste at source and also ensure pre-treatment or neutralization prior to mixing with other effluent generated from health care facilities
 9. The HCF shall ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974(6 of 1974).
 10. The HCF shall maintain and update on day to day basis the bio-medical waste management register and display the monthly record on its website according to the bio-medical waste generated in terms of category and colour coding as specified in Schedule I of the BMW Management Rules, 2016.
 11. The HCF shall inform to TNPCB immediately in case the operator of a CBMWF does not collect the bio-medical waste within the intended time or as per the agreed time.
 12. The HCF shall establish a system to review and monitor the activities related to bio-medical waste management by forming a new committee and the Committee shall meet once in every six months and the record of the minutes of the meetings of the committee shall be submitted along with the annual report to the prescribed authority.
 13. It is the responsibility of the occupier of the HCF that the only segregated bio-medical waste as per the Schedule-I of the BMW Management Rules, 2016 shall be handed over to common bio-medical waste treatment facility for treatment, processing and final disposal.
 14. It shall be ensured that no untreated bio-medical waste shall be mixed with other wastes.
 15. The bio-medical waste shall be segregated into containers or bags at the point of generation in accordance with Schedule I of the BMW Management Rules, 2016 prior to its storage, transportation, treatment and disposal.
 16. The containers or bags referred to in sub-rule (2) shall be labeled as specified in Schedule IV of the BMW Management Rules, 2016. The bar code and global positioning system shall be added by the Occupier and common bio-medical waste treatment facility in one year time
 17. Untreated human anatomical waste, animal anatomical waste, soiled waste and biotechnology waste shall not be stored beyond a period of forty eight hours:Provided that in case for any reason it becomes necessary to store such waste beyond such a period, the occupier shall take appropriate measures to ensure that the waste does not adversely affect human health and the environment and inform the prescribed authority along with the reasons for doing so.
 18. Dead Fetus below the viability period (as per the Medical Termination of Pregnancy Act 1971, amended from time to time) can be considered as human anatomical waste. Such waste should be handed over to the operator of common bio-medical waste treatment and disposal facility in yellow bag with a copy of the official Medical Termination of Pregnancy certificate from the Obstetrician or the Medical Superintendent of hospital or healthcare establishment.
 19. Cytotoxic drug vials shall not be handed over to unauthorized person under any circumstances. These shall be sent back to the manufactures for necessary disposal at a single point. As a secondoption, these may be sent for incineration at common bio-medical waste treatment and disposal facility or TSDFs or plasma pyrolysis at temperature >1200^oC.
 20. Residual or discarded chemical wastes, used or discarded disinfectants and chemical sludge can be disposed at hazardous waste treatment, storage and disposal facility. In such case, the waste should be sent to hazardous waste treatment, storage and disposal facility through operator of common bio-medical waste treatment and disposal facility only.
 21. On-site pre-treatment of laboratory waste, microbiological waste, blood samples, blood bags should be disinfected or sterilized as per the Guidelines of World Health Organization or National AIDS Control Organization and then given to the common bio-medical waste treatment and disposal facility.
 22. Syringes should be either mutilated or needles should be cut and or stored in tamper proof, leak proof and puncture proof containers for sharps storage.
 23. The HCF shall maintain records related to the generation, collection, storage, transportation, treatment, disposal or any other form of handling of bio-medical waste.
 24. The HCF shall submit an Annual Report to the prescribed authority (TNPCB) in Form-IV, on or before the 30th June of every year for the period from January to December of the preceding year.

POLLUTION PREVENTION PAYS

TAMILNADU POLLUTION CONTROL BOARD

Proceeding No. DEE/TNPCB/E- 1241/NA/2019 Dated: 30.09.2019

Sub: Tamilnadu Pollution Control Board – Bio-Medical Waste Management – Health Care Facility – M/s.ANJU DIAGNOSTIC CENTRE, New no.3RAJAMANGALAM 1 st MAIN ROAD, , VILLIVAKKAM – operation of the HCF without Authorization under Biomedical Waste Management Rules, 2016 as amended - Issue of Show Cause Notice under section 5 of Environment (Protection) Act, 1986 as amended-Regarding.

- Ref:**
- 1 - Biomedical Waste Management Rules, 2016.
 - 2 - Hon'ble NGT, Principal Bench, New Delhi order dated: 23.04.2019 in O.A.No. 606 of 2018.
 - 3 - Hon'ble NGT, Principal Bench, New Delhi order dated: 15.07.2019 in O.A.No. 710 to 713 of 2017

Whereas, Biomedical Waste Management Rules, 2016 as amended applies to all persons who generate, collect, receive, store, transport, treat, dispose, or handle bio medical waste in any form including hospitals, nursing homes, clinics, dispensaries, veterinary institutions, animal houses, pathological laboratories, blood banks, ayush hospitals, clinical establishments, research or educational institutions, health camps, medical or surgical camps, vaccination camps, blood donation camps, first aid rooms of schools, forensic laboratories and research labs.

Whereas, as per Rule 10 (1) of the Biomedical Waste Management Rules, 2016 as amended, the authorisation shall be of one time for non-bedded Health Care Facilities under the said Rules.

Whereas, the Hon'ble NGT, Principal Bench, New Delhi in its order dated: 15.07.2019 in O.A.No. 710 of 2019 has directed the State Pollution Control Board to complete and furnish the inventory of all Health Care Facilities in the State within a period of two months and also the Hon'ble NGT, Principal Bench, New Delhi in its order dated: 23.04.2019 in O.A.No. 606 of 2018 has directed the Chief Secretary to review the status of the compliance of Biomedical Waste Management Rules, 2016 in the State of Tamilnadu and to furnish the status report once in three months.

Whereas, the non-bedded Health Care Facility of M/s. ANJU DIAGNOSTIC CENTRE, New no.3RAJAMANGALAM 1 st MAIN ROAD, , VILLIVAKKAM has to operate with one time Authorisation under Biomedical Waste Management Rules, 2016

and it was observed/found that, the unit was under operation without one time Authorisation under Biomedical Waste Management Rules, 2016.

Thereby the unit violates the provisions of the Rule 18 (1) of the Biomedical Waste Management Rules, 2016 as amended which is an offence punishable under section 15 of the Environment (Protection) Act, 1986.

Hence, you are directed to show cause within three days from the date of receipt of this notice as to why penal action for offences punishable under section 15 of the said Act should not be initiated against you, as occupier for contravening the provisions of Rule 18 (1) of the Biomedical Waste Management Rules, 2016 as amended and also to show cause as to why directions under Section 5 of the said Act should not be issued to the unit for closure of the facility, stoppage of power supply, water supply, sealing of the unit etc.

It is informed that non-receipt of any reply within the prescribed period will be construed that you have no satisfactory explanation to offer for the above said contraventions and action will be taken on merits in accordance with law.

The receipt of this proceeding shall be acknowledged.

For Chairman

A. Jeehi
30/3/17

VILLIVAKKAM,
Chennai - 49.

TAMILNADU POLLUTION CONTROL BOARD

Order No.T4/TNPCB/1/BMWM/2020 Dated 25.02.2020

Sub: Compliance of Biomedical Waste Management Rules, 2016 as amended, by the Health Care Facilities in Tamilnadu

Ref: 1. Biomedical Waste Management Rules, 2016

2. Hon'ble NGT order dated 15.07.2019 & 22.01.2020 in O.A.No.710 – 713 of 2017

Whereas, the Biomedical Waste Management Rules, 2016 as amended has prescribed the following duties of the occupier of the Health Care Facilities:

1. Pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through disinfection or sterilisation on-site in the manner as prescribed by the World Health Organisation (WHO) or National AIDs Control Organisation (NACO) guidelines and then sent to the common bio-medical waste treatment facility for final disposal.
2. Establish a Bar- Code System for bags or containers containing bio-medical waste to be sent out of the premises or place for any purpose by 27th March, 2019.
3. Ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralization prior to mixing with other effluent generated from health care facilities.
4. Ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974).
5. Make available the annual report on its web-site and all the health care facilities shall make own website by 15th March 2020.

Whereas, all the Health Care Facilities (both bedded & non-bedded) have to strictly adhere to the above Rules at all times.

Whereas, as per the BMWM Rules, 2016, all the bedded HCFs have to apply and obtain Consent under the Water (P & CP) Act, 1974 as amended and the Air (P & CP) Act, 1981 as amended and Authorisation under BMWM Rules, 2016 and the non-bedded HCFs have to apply and obtain one time Authorisation under BMWM Rules, 2016.

Whereas, it is observed that many of the HCFs are yet to obtain Consent/ Authorisation from the TNPCB and from the field reports, it is also observed that most of the health care facilities have not provided pre-treatment as prescribed by the WHO, not established bar code system for the bags containing biomedical waste sent to the CBMWTF, not uploaded the annual report in their website, etc., which amounts to serious violation of the BMWM Rules, 2016.

Whereas, the Hon'ble NGT in its order dated 15.07.2019 in O.A.No.710 – 713 of 2017 directed the SPCBs to complete the inventory of HCFs and BMW generation within two months, to issue Authorisation to all the Health Care Facilities including one time Authorisation and to furnish the details of barcode system.

Whereas, the Hon'ble NGT has also directed the SPCP to levy Environmental Compensation to the HCFs for violation of BMWM Rules 2016. Based on this, CPCB has issued guidelines for the levy of Environmental Compensation to the HCFs.

POLLUTION PREVENTION PAYS

TAMILNADU POLLUTION CONTROL BOARD

Now, therefore, with the above background and in exercise of powers vested with the Board under section 5 of the Environment (Protection) Act, 1986 and under section 33A of the Water (P & CP) Act, 1974 as amended and under section 31A of the Air (P & CP) Act, 1981 as amended, all the Health Care Facilities are hereby directed to:-

1. Pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through disinfection or sterilisation on-site in the manner as prescribed by the World Health Organisation (WHO) or National AIDS Control Organisation (NACO) guidelines and then sent to the common bio-medical waste treatment facility for final disposal.
2. Establish a Bar- Code System for bags or containers containing bio-medical waste to be sent out of the premises in coordination with the Common Biomedical Waste Treatment Facility.
3. Ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralization prior to mixing with other effluent generated from health care facilities.
4. Ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974).
5. Make available the annual report on its web-site and all the health care facilities shall make own website by 15th March 2020.
6. The Bedded Health Care Facilities shall operate with valid Consent under the Water (P & CP) Act, 1974 as amended and the Air (P & CP) Act, 1981 as amended and Authorisation under BMW Rules, 2016.
7. The non-bedded Health Care Facilities shall operate with valid one time Authorisation under BMW Rules, 2016.

It is therefore, enjoined upon all the Health Care Facilities within Tamilnadu to comply with the Directions, failing which action as warranted under the provisions of Environment (Protection) Act, 1986 and under the Water (P & CP) Act, 1974 as amended and the Air (P & CP) Act, 1981 as amended shall be initiated.

Issued with the approval of Competent Authority.
