To Whomesoever it may concern

This is to certify that serology tests under scope(hbsag,hcv,syphilis,typhoid igm,RA factor) in serology discipline are done with Rapid card (Rapid immunochromatography method).

So, IQ OQ PQ and calibration is not applicable for the same.

Laboratory Director

You Trust We Care

Result relates only to the sample as received. Investigations have their limitation. Solitary investigation never confirms the final diagnosis of disease, it only helps in diagnosing the disease in correlation to the clinical findings & other investigations.

Please preserve this report carefully, we will not be able to give duplicate report.
