Sub: Establishment of new VCCTC.

Sir/ Madam,

With reference to the subject cited above, I am to say that it is proposed to open a new VCCTC (Voluntary Confidential, Counseling & Testing Centres) in the DHH, SDM & CHC as per the list attached herewith. As per NACO guidelines, two separate rooms (One for male counselor & one for female) are required for counseling of clients which should be located near the blood collection site. These rooms should offer privacy to create an appropriate counseling environment. A copy of NACO guidelines for the infrastructure is enclosed for reference.

You are requested to kindly intimate by return fax whether all infrastructure like separate room attached to the blood collection site are available in respective hospitals for opening of the VCCTC. Counselors and Laboratory Technicians shall be posted by OSACS. Funds for purchase of furniture and consumables will also be provided by OSACS. After getting your confirmation, action will be taken for posting of counselors and LT.

Yours Faithfully
