The Deputy Advisor (Unani Medicine) and Director, Central Council for Research in Unani Medicine, Ministry of Health and Family Welfare, Government of India, New Delhi, has stated that the Government of India have proposed to start a Regional Research Institute in Unani at Madras and that they require a building 8,000 sq.ft. in extent with reasonable provision for future expansion. The proposed Institute at Tamil Nadu will be under the Central Council for Research in Unani Medicine. It will form a nucleus for the development of Unani research and education in the Southern states and hence has to play the role of a pioneering institution in the South. The proposed Institute will have the following activities:

1. Clinical Research with OPD and IPD 25 beds
2. Mobile clinical Research Unit
3. Survey of Medicinal Plants Unit
4. Research scheme on screening of contraceptive agents.

2. The Deputy Advisor Unani, Government of India, has also reported that, in its meeting held on 21.4.1979, the Standing Finance Committee of the Central Council for Research in Unani Medicine has approved the recommendation of the Scientific Advisory Committee regarding the establishment of a Regional Research Institute for Unani Medicine at Madras and has requested this Government that the building may be made available to the Council to start its activities.
