कृपया आपले उपरोक्त पत्र संदर्भित करावे. उपरोक्त टिप्पणी संदर्भात या कार्यालयाचे अभिप्राय खालील प्रमाणे आहेत.

बृहन्मुंबई महानगरपालिकेच्या स्थायी समिती ठराव क्र. 181 दिनांक 25.05.2005 अन्वये मे. एस.एम.एस. इन्व्होक्लिन प्रायव्हेट लिमिटेड यांची देवनार क्षेपणभूमी येथे जैविक कचरा प्रक्रिया केंद्र उभारून मुंबई शहरातील विविध वैद्यकीय आस्थापनांना जैविक कचरा गोळा करणे, वाहून नेणे आणि त्यावर प्रक्रिया करून त्याची विल्हेवाट लावणे या कामासाठी नेमणूक करण्यात आली आहे. मे. एस.एम.एस. इन्व्होक्लिन प्रायव्हेट लिमिटेड यांनी देवनार येथे जैविक प्रक्रिया केंद्राची उभारणी झाल्यानंतर 1.05.2009 पासून सर्व वैद्यकीय आस्थापनांना जैविक कचरा उचलून त्यांची विल्हेवाट लावण्याच्या सेवा घायला सुरुवात केली आहे.

अशाप्रकारे खाटायुक्त सर्व वैद्यकीय आस्थापनांना मे. एस.एम.एस. इन्व्होक्लिन प्रायव्हेट लिमिटेड यांचेद्वारे दररोज सेवा दिली जाते. मात्र आरोग्य केंद्रे, दवाखाने यांमध्ये निर्माण होणारा जैविक कचरा हा जीव जैविक कचरा (व्यवस्थापन व हाताळणी) नियमावली 1998 च्या तरतूदीनुसार 48 तासांमध्ये उचलला जातो.

आपल्या अखत्यारीतील आरोग्य केंद्रे आणि दवाखाने यांना मे. एस.एम.एस. इन्व्होक्लिन प्रायव्हेट लिमिटेड यांनी दिलेल्या सेवाबाबतच्या फे-यांचा अहवाल हा संबंधित आरोग्य केंद्रे आणि दवाखाने यांच्याकडे असणे आवश्यक आहे. घ त्याबाबतचा अहवाल संबंधित वैद्यकीय अधिकारी किंवा त्यांचा तत्सम अधिकारी यांनी प्रमाणित करणे आवश्यक आहे.

उपरोक्त कामाबाबतच्या निविदा महाराष्ट्र प्रदूषण नियंत्रण मंडळ यांनी मागविल्या होत्या. सदर निविदेमध्ये कंत्राटदाराने जैविक कचरा दररोज उचलला गेला नाहीतर त्यावर कोणत्याही प्रकारची दंडात्मक कार्यवाही करण्याची तरतूद नाही. मात्र एखाद्या दिवशी न उचललेला जैविक कचरा मे. एस.एम.एस. इन्व्होक्लिन प्रायव्हेट लिमिटेड यांचेद्वारे दुस-या दिवशी उचलला जातो.

(SOLID WASTE MANAGEMENT DEPARTMENT)

**Sub :- Collection, transportation, treatment and disposal of Bio-Medical Waste.**

**Ref :- S.C.R. No.181 dated 25.05.2007**

Bio-Medical Waste is collected and transported by M/s. S.D. Shirole Transport Company, Shree Sainath Enterprises & M/s. City Care from Municipal & Govt. hospitals from City Division, Western Suburb Division and Eastern Suburb Division respectively and treated at BMW treatment plant at Sewree by M/s. E.A. Infrastructure Operations Pvt. Ltd. We are paying transport charges to these transport contractors and treatment charges to M/s. E.A. Infrastructure Operations Pvt. Ltd. In turn this department is raising the bills to all Municipal & Govt. Hospitals @ Rs.6/- per day per bed basis towards transport, treatment & disposal charges of bio-medical waste.

At present the autoclave at Sewree is operating smoothly. However the incinerator is not operating because of pollution problems and public agitation. Hence, incinerable anatomical waste is sent to Taloja for treatment. The above arrangement is a temporary arrangement. Maharashtra Pollution Control Board had floated a tender for finalization of single private operator for collection, transportation, treatment & disposal of bio-medical waste on behalf of M.C.G.M.. M/s. SMS Envoclean (P) Ltd has been recommended as a successful bidder for the above said work.

Standing Committee have accorded approval to M/s. SMS Envoclean (P) Ltd. for the work of "Development of Common Bio-Medical Waste Treatment Storage and Disposal Facility" (CBMWTSDF) at Deonar dumping ground on BOOT basis for a period of 20 years vide S.C.R.No.181 dtd,25.5.2007. A land admeasuring 4000 sq.mtrs is also handed over to M/s. SMS Envoclean (P) Ltd on service basis. The development work is in process. The charges for disposal of bio-medical waste are also finalized for 20 years for bedded & non bedded medical Institutions. The said facility will start its operation by December 2008. In this project only one agency is responsible for collection, transportation, treatment & disposal of BMW from your Medical Institutions. M/s. SMS Envoclean (P) Ltd will raise the bills to the respective hospital authority directly. The copy of the rate Circular is enclosed herewith.

In view of above, you are requested to instruct the major hospitals, peripheral hospitals, special hospitals, maternity homes, dispensaries / health post etc. under your control to make necessary tie up with this new operator i.e. M/s. SMS Envoclean (P) Ltd for disposal of bio-medical waste from your institutions & hand over the BMW to them from 1.12.2008 instead of earlier transport contractors with proper & due acknowledgements on the log sheets available with the contractor. The BMW should be

duly segregated at source only and packed into respective yellow, red and blue bio-degradable bags as per BMW rules which should be scrupulously followed.

You are also requested to certify the bills for the disposal of bio-medical waste which will be raised by the operator & release the payment from the appropriate grant available with you.

The above rate is forwarded for your information and necessary action please.
