Sir/Madam,

Subject: Clarification regarding Constituency of the Entity

With respect to the clarification query raised by your esteemed Organisation, I would hereby wish to declare that A.A. Diagnostics is my proprietorship concern, through which I was earning business income independently irrespective to the Hospital in which I am possess Directorship. As this is a proprietorship concern, there is no specific separate legal identity apart from my PAN. So understanding the originality of the scenario, please enable us to proceed further in attaining Certification / Accreditation.

THANK YOU,
