

## ANNUAL MAINTENANCE CONTRACT

This Agreement is entered into by and between **INFINITY BIOMEDICALS** having its registered office at 76, College Nagar, Anna Nagar, Peelamedu, Coimbatore - 641004

AND

**Government Primary Health Centre** located at **Mangalam, Tirupur - 641663**

hereinafter referred to as "CLIENT" (which expression shall unless it be repugnant to the meaning or context thereof be deemed to mean and include its successors and assigns).

The CLIENT has the list of equipment(s) at its premises. We had agreed to provide maintenance services to CLIENT for the list of equipment(s) attached. **AMC Start on 11-2-2023 Ends on 10-02-2024**

### 1. SCOPE OF THE CONTRACT:

- 1.1 Under this Agreement We shall provide planned maintenance to keep the CLIENT's equipment in good working order.
- 1.2 For planned maintenance we shall make visits on dates mutually convenient to CLIENT and Infinity Biomedicals. During these planned maintenance calls we may also undertake breakdown maintenance work wherever possible.  
  
Breakdown calls shall cover rectification of the faults subject to availability of spare parts with the CLIENT. It does not include major overhauls including but not limited to shifting of Equipment's, reinstallation at other sites, etc. which will be charged for separately on basis of estimates of repair submitted to CLIENT.
- 1.3 We will depute their Customer Support Engineer for breakdown call within reasonable time from receipt of the call from CLIENT. We shall not be responsible for delay in servicing due to non-availability of spares or due to any reasons beyond its control like at the event of natural calamities, strikes, etc.
- 1.4 Any defects in the electrical installation and/or wiring outside the equipment(s) or power supply fluctuation or equipment not covered by this Agreement will be rectified by CLIENT at his own cost.
- 1.5 It shall be CLIENT's obligation to provide proper environment conditions as advised at the time of installation of the equipment(s). We shall not be responsible for any damage or loss or malfunctioning of the System or Equipment due to non-availability of proper environmental conditions.
