Address:	HYDERABAD
Province-Postal code	500038
Contact Name	Dr.Imran

Calibration Certificate

Date	27-06-2023 <small>(dd mmmm, yyyy)</small>	Instrument Model	D-10 Hb Analyzer	Instrument Serial Number	DJ8E226202
-------------	--	-------------------------	------------------	---------------------------------	------------

We certify that the Bio-Rad instrument specified above and installed in your lab is calibrated and the performance was found satisfactory.

High Pressure Pump Flow Rate Reference: Service Manual: Section 7.7.3

Measured with <small>(Device manufacturer and model)</small>	Device Serial Number	Device Calibration date <small>(dd mmmm, yyyy)</small>
GLASSCO MC	2118	20-11-2021

Specified Range@ 1.5ml/Minute	Measured Value
1.425 – 1.575 ml/minute	1.50ML/MINUTE

Column Holder temperature Reference: Service Manual: Section 7.9

Measured with <small>(Device manufacturer and model)</small>	Device Serial Number	Device Calibration date <small>(dd mmmm, yyyy)</small>
Fluke -179	31090109	31-05-2023

Specified Range @ 35°C	Measured Value
33.4°C – 36.4°C	35.1

Detector log value Reference: Service Manual: Section 7.2 or Field Bulletin D-10-081

Measured with	Specified Range	Measured Value
Instrument Service Software	0.018 – 0.022 AU	0.020AU

The next calibration is due on	26-06-2024	<small>(dd mmmm, yyyy)</small>
